

Name: Dr. Carol Zhang

Email: carol.zhang@email.com

Phone: (555) 456-7890

Location: Boston, MA

Experience:

- AI Research Scientist at NeuroTech (2019-Present)

- Published 3 papers on LLM efficiency
- Developed novel attention mechanism
- Lead researcher on multimodal AI projects

- Research Assistant at MIT CSAIL (2016-2019)

- Worked on transformer architectures
- Contributed to open-source ML projects

Skills:

- Python (PyTorch, JAX)
- HuggingFace Transformers
- Pinecone, Milvus
- Mathematical Optimization

Education:

PhD in Machine Learning - MIT (2019)

MS in AI - Tsinghua University (2014)

Publications:

- "Efficient Attention for Large Language Models" (NeurIPS 2022)

- "Multimodal Representation Learning" (ICML 2021)
